**RE: NOTICE TO ALL AFYA SACCO MEMBERS**

This is to inform all our esteemed members that the Information circulating in the social media platforms is misleading and meant to cause panic among the membership and tarnish the name of the SACCO.

As the Chairman of the Board, we have taken the concerns raised by members seriously. We have since investigated the matter and the issue has since been addressed. The Board and the Management remains committed to uphold integrity and proper management of the members' funds, working tirelessly to ensure normalcy continues. We assure all members their funds are protected. Any other concern shall be addressed to its conclusion.
